ALEXANDRIA, VA.

SATURDAY EVENING, JUNE 11.

THAT the blood of the murdered crieth for vengence was shown shortly after our first parents were expelled from the garden of Eden. No matter what precautions are taken to cover up crime murders generally will out. The finding yesterday of the body of Lake Como, Italy, is another attestation of the truth of the saying. The net of fishermen became entangled in the receptacle which was brought to the surface. Upon being opened the ghastly remains of a woman, who is believed to have been placed in the trunk endeavoring to locate her husband, Porter Charlton. A horrid murder was to prevent its floating, was buried in the been for the accidental discovery the disappearence of George Curtin would of the Census states that notwithstand- told the police today made inquiries of never have been explained.

Twenty of the persons reported dead are believed to have been killed when the fire destroyed a row of lodging houses near the Galbraith warehouse

A policeman who went through this district immediately after the fire started said there was no time for the lod-

Every ambulance in the city was pressed into service and the patients of the Pacific Hospital near the fire swept district were moved to the City Hospital which is a mile further south of the danger scene. A fire engine caught in the path of the flames was abandoned by its crew and three men are reported to have taken refuge in a building at First and Wall streets which later collapsed. The men are still missing.

The fire started in the Galbraith warehouse at midnight while a veritable was forced to expel them from the gale was blowing from the west. The wind spread the flames with alarming rapidity after the Bacon-Galbraith building was a mass ot flames. Most of the buildings nearby were of the flimsy wooden affairs, and as a consequence the fire spread with a rapidity

of a prairie fire. A later dispatch says it is possible that no loss of life occurred by the fire.

#### The Rallroad Bill

Washington June 11.-President Mann, reiterated his determination to refused the request. present railroad bill. In the event that it is withdrawn in its present form he insists that a clause be added in conference providing for the appointment of a commission to study the question and suggests some arrangeto the next Congress when the question

through his programme. Three provisions of the bill were considered: The long and short haul clause, the clause extending to ten months the peaiod for a suspension by the Interstate Commerce Commission of rate increases pending a hearing by the commission, and the stocks and

Despite the persistent runners that in the last three months, the stocks and bonds provisions cannot. House today discussed Mr. Mann's sugroad stocks and bond issues looking towards legislation next session.

It is admitted by all conferees, and the president that some legida ion on this point is essential but Mr. Mann will not permit crude legislation on so complicated a subject. There is still probability, if Flkins or Aldrich can convince Mann that they know what they are talking about, that there will be a little legislation on this point in the conference report. A presidential commission In any event is very probable. This plan would be to appoint a body of experts to study every phrase

tively few senators were in attendance. Everything bore a holiday appearance. Senator Clay opened the debate, saying there was absolutely no reason why \$250,000 should be appropriated for a tariff board. All obtainable facts and figures, he said, had repeatedly been obtained and no necessity exists for duplicating the work.

Senator Gallinger admitted that the republicans in the coming congressional elections must stand or, fall by the Payne-Aldrich bill. He would not ook so far ahead as 1912.

During the debate Mr. Aldrich said: 'If the whole business of this government were turned over to a business man \$300,000,000 could be saved. That is what I said and repeat it, of car turned over at Butternut street and course that is not feasible. If the government's affairs could be turned over to an individual thirty per cent could easily be saved. I cannot prodict what Granada, Nicaragua, yesterday, and cut Harrison Robertson jr., of Danville. will be done in the way of appropriations.

The tariff board plan was defended by Senator Aldrich at length. He said was necessary to enforce the maximum and minimum feature of the law, He said the tariff board feature of the present act was written by himself without a single suggestion from Senator Beveridge or any other person.

#### HOUSE

A resolution offered by Mr. Rainey, (dem., Ill.) asking the attorney general whether he prepared a speech for Mr. McKinlay, (rpn., Cala.) was today killed by the House. Plans for temporary buildings in which the prisoners will be Clarke, Mrs Mollie housed have been completed and some Cross, Nelie of the inmates will be sent to Lorton Donaldson, Joseph Motton, Lillie soon to quarry stone for the foundation Douglas, J A of these structures. They will also cut | Eddins, If M stone for the erection of a system of Gaines, Bertie roads which will thread the government to destroy the Aldrich-Payne tariff law.

The consideration of the bill was not property. When the work is completed Hill, Mrs George some of the prisoners will be utilized in tearing down the present work house near the congressional cemetery in Washington. They will be transported down the river in shifts on a boat purchased for the purpose. Extra precautions to prevent the escape of prisoners at the temporary quarters and

#### while at work have been planned. TOPLESS POTATOES; NO BUGS.

Parks Murtiff, proprietor of the St. Charles Hotel, owns a farm in the viand harbors bill, carrying in appropriations and authorization \$51,947.718, was agreed to by the House.

The general defiency bill, carying \$5,735,573, was reported.

The democrats and insurgents again defeated the plan to appropriate money for automobiles for the Vice President and the Speaker. These two items were sent back to the conference on the conf cinity of Burnham Park, Pa., and Thursof large shell-barks in the rows. The farmer says it's a good thing, as it will fool the bugs.
